CITY & NEWS ITEMS.

SATURDAY MORNING, JULY 24, 1858 NEW ADVERTISEMENTS

House for Bent.

J. D. Fisher & Co. - English Help. gp Pixin and Orunmental Printing of every description done at the Printing Es 'ablishment of the Leader Office on the latest improved and montrapid steam princes, in the feet sty is, on which notice, and at reasonable rates. Par-ticular attention paid to blank work. Every description of fluiding done, especially Blank Books, Ledgers, Journals, Sales Books, Receiving Books, &c. &c.

THANKS -- We have again to thank the American Express for St. Louis, Chicago, and Toledo papers in advance of the mail.

FOREST GROVE - "May Queen" was the winner in the race at Forest Grove on Thursday afternoon; best three in five. She won the last three heats.

Fire -Some one attempted on Wednesday marning to fire the Central Market House by placing combustibles against one of the posts and igniting them. It was extinguishedhowever, before any damage was dore.

LECTURE - We take pleasure in announcing that the Rev. Mr. Eells will deliver the first of a series of lectures upon the subject of Temperance, on to-morrow evening, at the Second Presbyterian Church. We understand that the Pastors of most of our Churches will follow in the weekly lectures-due notice of which will be given in our columns as they occur.

THE EMPIRE CARD WRITER .- We were yes terday shown a large number of specimens of cards written by A T Selover, the Empire Card Writer. They are the most perfectly written imitatious of engraving we have ever seen. Among his specimens is the Lord's Prayer written within the space of a dime, and is argument en every word of which can be read without diffi- said less tha

Pessonal -We yesterday had a call from Dr. Cushman the inventor of the celabrated continuous lightning rod. Dr. Cushman understands the whole theory of protection from lightning. He has became a resident of our city, and may be found at the office No. 6 At water Block, and will attend to the application of his rods to buildings within the city and vi-

FROM LAKE SCPERIOR -Propoller from City, 100 parces Capt. J. E. Turner, arrived yesterday morning from Ontonagon, which place she left on Monday last. She brought some twenty-five passengers for Detroit and Cleveland : among them was Sir George Simpson, Governor of the Hudson Bay Company's Territory. Her cargo was as follows:

One hundred bbls. Fish, 11 bbls. and 5 masses of Copper from Eagle Harbor for Copper Smelting Co., Detroit; 24 bbls., 17,253 lbs., Central Mine: 110 bbls., 83,737 lbs., Cliff Mine: 57 masses, 86,268 lbs., Copper Falls Mine; the copper for Hussey & McBride, and 45 bbls., 60,816 tha Copper Falls Copper, for Hanna, Garretson

She met the City of Cleveland at Ontonagon on Monday, bound up; schooner E. C. Roberts at Copper Harbor, bound up ; eteamer Planet and schooner Star of the North at Marquette, on Tuesday; and met the North Star near Nehish Rapids on Wednesday at noon.

Mr. Holland, informs us, has been most excellent, and excursionists are improving the time. The Iron City will return on Wednesday evening next, and those going to Superior will find in her all that is convenient and pleasant for a summer trip.

George H. Monday .- This eccentric indiwith the distinguished from natury, and is Warranted without well known to every one who has spent SPRING AND SUMMER DRESS GOODS half a dozen weeks in the city of Philadelphia, turned up in Cleveland last night. He has been a man of fine mind, always peculiar from his hatred to a hat (which he never wears), and always desires to be called "George," or the "Bartist Watchman." Our citizens will see him upon the streets to-day, and if any hear A Magnificent Assertment him talk they will agree with us that there is "method in his madness," and that he is worthy better fate than that which attends him.

> DEPLORABLE ACCIDENT.-A most distressing accident occurred in Congress Township on Monday evening of last week, which resulted in the death of a very worthy citizen. H. Burns, Esq. of that Township, having a vicious ball, went out to the barn-yard in the evening to keep him away, while other members of the family were milking. The vicious animal however furned upon him and gored him in a most horrible manner. His bowels were let out by the horns of the brute, and he held them up himself while he willed out the residual of the principle.

> > CITY COUNCIL.

SPECIAL MEETING.

FRIDAY EVENING, JULY 23. Pattrious.-From a number of colored persons asking permission to occupy the Public Square on the 3d of August next on the occasion of their celebration of the abolition of Slavery in the British West Indies. Granted;

mittee on Markets be authorized to enter into a contract with any individual who may be willing to contract for the erection of Market Shede on the Central Market grounds; Provided that the terms of the contract be like the blank now pending before the Council except that the sum for the cost of said building shall not exceed \$1000; and provided, that said shed shall | STELLA. not be so placed as to encrouch upon Kinsman

and Pittsburgh streets. Mr. Ransom moved to amend, by inserting also Miami street with Pittsburgh and Kinsman.

Mr. Rezner moved to insert the Board of City Improvements intend of Committee on Markets, Lost. Mr. Coffinberry offered the following further

And provided that the said contract shall not in any wise require the city to adopt or con-tinue said Central Market Ground as a market place of the city, or render the city liable for damages in case said grounds shall be abandon-

machino, which possesses the ed as market place or by the repeal or modifi-cation of any existing market laws or regula-Mr. Thayer accepted this amendment, and without re-winding; saving time, trouble and the resolution was lost by the following voteayes 11, to wit. Coffinberry, Ford, Johnson,

Considerable debate was held upon this res-

bership in the Board of Ship Channel Commissioners.- Three ineffectual ballotings were had for a member of the Board, each ballot so.

YESTERDAY AFTERNOOM'S REPORT FOR EIGN NEWS

ARRIVAL OF THE AMERICA.

Sanpy Hook, July 23. The Royal Mail Steamship America, from Livrepool on the 10th instant, has arrived off this point. Her dates are three days later than those The 'Arago, from New York, arrived at South-

upton on the 8th inst.

The House of Commons had passed the bill for the government of India.

Lord Malmshury had announced in the House of Lords that the British cruisers would be immediately withdrawn from the Cuban waters, but that the blockade of the African coast would be

The America arrived at her dock at a quarter

past 10 o'clock. Sir E. Bulwer Lytton, Colonial Secretary, has in-Sir E. Daiwer Lytton, Cosonial Secretary, as in-structed the government of Vancouvers Island that it was no part of the policy of the British govern-ment to keep Americans and other foreigners from the France River gold diggings. The national right to navigate the river is reserved, however. France—The new Minister of the interior had permitted one bundred and twenty exiles to return that homes.

their homes.
The Royal families of Belgium, Prurin and Austria, will be represented at the Cherbourg fete.
The tobacco crops in Algieria had been almost totally destroyed by worms. totally destroyed by worms.

LIVERPOOL COTTON MARKET—The sales of cotton for the week and up 60,000 bakes, or which speculation took 5500, and exporters \$530. The market opened at an advance of 1-16-Liest, but subsequently leaf a nime. The sales of Friday was \$6,000 bakes, including 1500 for speculation and export. The market caused quiet at the 1-15-relief surface from the friday was \$6,000 bakes, including 150-bak, do maidling 71-160; Uplands fort 75-bak, do maidling 71-160; Upland

The bottom in the Bank of Engined and decreased Edg., Council 25%, 500 Sec., money 16%, for necessar.

In Cambridgeport was bally burned by the legisning.

The sohooner Ames Hooper, of Elisworth,
Maine, had her maintanst spill and her gaff topsail
burned, beside receiving other damages.

In Somerville, Chelsea, and other neighboring
towns, a number of buildings were damaged, but
we hear of no further fatality at this hour. Four
buildings in Boxbury were struck and considerably damaged, in one of which a Mrs. Conner was
seriously injured.

FROM NEW YORK. New York, July 23. The paragraph in the Albany lister of this morning's Herald, that Mr. Raggles has applied to be relieved from the charge of the Western Division of the Eric Canal, is incorrect. He will protest against any altempt from any quarter to relieve him from it. He will meet the other Commissioners to prorow, at Albany.

ers to morrow, at Alisany. WASHINGTON ITEMS Washington, July 23. The Secretary of the Navy has not yet decided on the application to change the terminus of the Collins line to Portland, which is now favored by the P. O. Department, and is believed with authority under the existing law. In consequence of this delay the arrangements for the Oceanic mall are not yet completed.

LAST NIGHT'S REPORT. FROM NEW YORK. NEW YORK, July 23.

Character Reper of the Hotel Napoleon, and his barke "per, Davis, were held to bail to-day for per-jury in the De Hiviere case. Mulford, the counsel for the as a "case, for whom a warrant was issued, has absented "imself."

ADDITION 4L FOREIGN NEWS New York, July 23.

The Great Britain is to sail for New York on the 25th instant.

M. Marcoletti, the representative of the Costa
Bican and Nicaranguan States in London and Paris, had presented his credentials to the French
Government, and wold be received by the Emperor
on his return from Plambiers.

The Chronicle states that the hight had made its
avergrance amour the notatoes, in several places

In that locality.

The Rev Saddier, of Trinity College, Dublin, had committed snicade by hanging.

At the quarterly meeting of the Iron Masters of Midhard Co., England, which was held at Birmingham, no change was made in the standard rate.—Prices, however, were regarded as mesely nominal, and business was very dult. Many mills and forges were only partially employed.

It is reported from Madrid that Gen. O'Donnell will dissoive the Cortes in a very short time. It was also stated that he intends to arrange the army in large divisions as in France, and to place eminent Generals at the head of them.

A semi-official Spanish journal speaking of the new ministry, is no less decided than the preceding one to demand explanations from England on the subject of the offensive words of Lord Malmisbury on the question of English cruisers.

The Cologne Gazette spreads the remor that the concentration of Russian troops in Poland is to threaten Austria into fallilling the freaty of 1846, relative to the incorporation of Cracow into the Austrian monarchy. It is positively denied that Austra has bound herself by the treaty to render assistance to Turkey in case she should need it.

KANSAS NEWS.

KANSAS NEWS. Sr. Louis, July 23.

The Kansta Herald says Gen. Calboun has issued certificates of election to all those elected under the Lecompton Constitution. Free State members from Leavenworth county receive certificates. which gives that party a majority in both branches of the Legislature. The returns for State officers will be made to the Legislature, in whose hands the the whole subject rests. he whole subject rests.

The Herald exhorts the people to vote for the

NEWS FROM THE WEST. sulting in eight votes for Geo. L. Chapman and eight for Samuel Williamson.

RICH GLOSSY HAIR Talk of hearty, it cannot creat without a fine head of heart, then read the following, and if you ask more, see circular around each buttle, and soyone-can doubt.

PROFESSOR WOOD'S HAAR ASSTORATIVE—We call fine attention of all, sid and young, to this wonderful errogatables, which terms that the control of the wonderful errogatables, which terms that with a terms of the daminated for any lateral errogatables, which terms that with a term of the manual and all contained growth—removes the daminated archive in the state of the first and all contained growth—removes the daminated first sing for the hair with trees we its refer, as everyther dress sing for the hair with trees we its refer as everyther dress sing for the hair with trees we its refer as everyther dress sing for the hair with trees we its refer as everyther dress sing for the hair with trees we its refer as everyther dress sing for the hair with trees we fit a refer the early the most it as do streety the praise will its mature? Here yet the first the first the first which it is praised to appear the praise will not, as they value the flowing locks, or the whiching cut, every be weaked it. Its praise to appear to produce of 5 conceands.

The Agent for Prod. Weakly Hair Restneading it was the first which we worked the produce of 5 conceands.

The Leavenwarth-Sir- Haye been troubled with dandruff of sourf on my head for more than a year, my har haye go to come out, sourf and har longeter. I saw it as New Have maper about "Woos's Har Restorstive" as a cut — I called a love stays on the lot of April hat any our har as the lot of the lot ed one halthe to try it, and I found to my multiplicities it was the Lining, it removed the court and new halt begins to grow, it is now true at lives bother in length where it was all off. I have great failin in it. I wind you to see it was two bullies move by Mr. Four, the bearer of this. I don't have as many land, used in this above you may have a market to many land, the court of the land to the try to the land with property.

Prof. Wood-Denr Sir. Four Hart Restorative is promise item? Beauty and the prof. a. Front Hart Hart Hart Hart I is promise item? Beauty and the control and also the back part of me head almost leaf the decerring—in fact Raille. I have used but two half see fulfilled your Restorative, and most the ite of my lead to well stacked with a promise group of young hur, and the frank is also requiring its beautif. I have used when programming without any bone fit whatever. I think from any own personal recommendation I can induce meny others to try it.

Yours respectfully, D.R. THOMAS, M.D. No. 604 Vine street.

Prof O. J. Wood, As you use about to manufacture and wond your recently discovered Holf Restoration; I will state, for whomsover it may concern, that I have used at small known others to use the third Restoration; I will state, for whomsover it may concern, that I have used at small known others to use the third; I have for several years been lattle habit of using other Heat Restoratives, and that I find yours virilly support to any state I know. It entirely cleanages like brail of dandered, and with son countly a proper name will restore any person. I have I the circump postfrair colour and texture, evenus if a healthy, soft and allowy appearance, and all these without through I would the referencements of the determs on a keep of man textures of the edition of the working a fine color and texture to levery me destrous of lawlings a fine color and texture to levery me destrous of lawlings a fine color and texture to law.

FROM BOSTON. The city and vicinity was visited with a severe storm this P. M. In the city the lightning struck in several places, doing but little damage, how-

ever.
In Cambridge it struck in seven different places. In Old Cambridge it entered the house of Mra. Muliens, killing her instantly, and seriously injuring Elizabeth Beckett. The latter will recover. The lightning also hadly damaged the house of Mr. Honnewell and severely burned one of its inmates, Miss Donas.
A man named John Kinney, in a harness shop in Cambridgeport was badly burned by the lightning.
